

BACKWATER DISCOVERY

If you want to explore the renowned backwaters of Kerala in depth with a bit of physical workout, the Backwater Kayaking tour is what we would recommend for you. This tour will take you to the near and far end of the backwaters, kayaking through canals, rivers, lakes and lagoons. With the waterways being a mode of connection between the remote villages of Kerala, you will be able to interact with the local community and get an idea about their livelihood and lifestyle. You can get the best of both nature and culture in one trip.
